I can't promise you
I'll ever change
The things between us
Will remain the same
I can't promise
I won't make you cry
You know that there are times
We fight and say goodbye
But there's one thing that you should know
I'll never give up on us
I won't let go
All I've been searchin' for & you've I found
You're the only one I need to be around

[Chorus:]

As long as I am with you
There's nothing I won't do
I'd give it all
My heart and soul for you
As long as I am with you

There's nothing I can't do
There's nothing more I'll ever want
As Long as I am with you

Someday, you will leave me when I say
My love for you is true
I'm here to stay
I don't ever want to lose your love
You're the answers to my prayers
Sent from Above

[Repeat Chorus x2:]

There's nothing I can't do
There's nothing more I'll ever want
As Long as I am with you
