"Rise From Your Grave"

I'm only here for one reason (Whoa oh oh)
(And I can't wait!)
I won't leave this time
(For tonight!)
We'll take our chance
Move the ground
And then we'll rise
Your blood won't run for me (Hey, Hey)
Your love won't stop us now [x2]

Rise from your grave, and take my hand (Whoa oh oh)
And Take my hand [x2]

And nothing can stand in our way
(Step back and watch us fall)
So much for love!
So much for hope this sunrise will be our last!
Your blood wont run for me (Hey, Hey)

Rise from your grave, and take my hand (Whoa oh oh)
And Take my hand [x2]

[Guitar solo]

Rise from your grave, and take my hand (Whoa oh oh)
And Take my hand [x4]

(Rise!)
