I may appear to be strong
Solid like a Rock
I may appear to be hard
But that is all talk

See I am able
I am capable
I am Breakable

I may appear to be tough
Rough I sometimes play
I may appear to be hard
But that is all a charade

See I am able
I am capable
I am Breakable

Do you want to see me cry ?
Do you want to see me cry ?
Do you want to see me cry ?
Do you want to see me cry ?

I am able
I am capable
I am Breakable
I am able
I am capable
I am Breakable
