I gave my love away
To a power deep within
Beyond the flesh of men
Above the law of religion

Give In
I gave up
Give In
I gave up

I surrendered all my desires
The pedestrian wants it wills
Speeding, Killing, Minutes oh they
Lick my little heels
This is how it feels
To be cursed and haunted

Give In
I gave up
Give In
I gave up

Sexed myself free
From privilege and passion
I had no choice but
To let this happen
I had to let this happen

I gave my love away
To a power deep within
Speeding, Killing, Minutes
Broke my religion

These are not dramatics
Of a rambling fanatic

Give In
I gave up
Give In
I gave up
Give In
I gave up
