A good friend of mine
Maybe one like yours
Called to say he can't take it anymore
He cannot stand where he stands
All he sees is the evil of man

Oh boy
Love yourself
You've got to love yourself
'cause' no one else will

Love is a muscle
So is your hate
It's up to you to create your own fate
Love is a muscle
So is your hate
It's up to you to create your own fate
Now..

Precious minutes kick and tick and lick our asses
humble
All this awareness, can it fix this mess ?
Maybe if we built the new youth strong enough our
future wouldn't crumble

Love yourself
You've got to
Love yourself
'cause' no one else will

Love is a muscle
So is your hate
It's up to you to create your own fate
Love is a muscle
So is your hate
It's up to us to create our own fatev
We're all just wounded kids
Paying for what our god did
We're all just wounded kids
Suffering for what our parents did
We're all just wounded kids
At the mercy of what the devil did

LOVE!!!!!!!

Love is your muscle
So is your hate
It's up to you to create your own fate
Now!
Do it Now!
Love is your muscle
So is your hate
It's up to you to create your own fate
Love is your muscle
So is your hate
It's up to you to create your own fate
Now!
Love Yourself!
