I don't trust anyone and I suggest you don't either  
But it's ok with me dear if you want to stay optimistic  
Just don't let your good side turn sadistic on you

I've seen this happen to other people with good hearts  
like you

Hurt is waiting for your blind side to show itself ahead  
of your pride  
Keep your anger  
Keep it righteous and free  
And you'll always be a friend to me

It's not naive to still believe I can exist on this gift  
It's not weird or perverse to want so much from the  
universe  
And when it feels bad and it hurts like a curse  
There's only one thing that we deserve  
We want Peace 'N' Glitta' and Phasion!!!!!!!!!!!!!!!!!!!!!!

I don't trust anyone  
You don't trust anyone  
We don't trust anyone  
No we won't  
No No No  
I don't trust anyone  
And I don't trust anything  
That will not make me laugh or sing

It's not naive to still believe I can exist on this gift  
It's not weird or perverse to want so much from the  
universe  
And when it feels bad and it hurts like a curse  
There's only one thing that we deserve  
We want Peace 'N' Glitta'  
Peace 'N' Glitta' and Phasion!  
We want Peace 'N' Glitta'  
Peace 'N' Glitta' and Phasion!  
We want Peace N' Glitta'  
Peace 'N' Glitta' and Phasion!  
Oh Yeah!!

Come on Come on Now you know that you love all that  
stuff  
Yeah you do yeah you do  
Oh you do.
