JFK and Hendrix
Martin Luther and Jesus Christ
They all died by the hand of the fanatical religious right
What you gonna' do when you realize the size of all the
lies?
Where you gonna turn when you're faced with that age-
old compromise?

Will you
\$ell Your Love To The World...
Yeah Yeah Yeah
\$ell Your Love To The World
Yeah Yeah Yeah

If you wanna' start a rebellion like Mr. John Lennon
You better be ready to defend against the FBI & the CIA
You can teach, you can preach, as long as you do it
their way
Uncle Sam, he will come along, he knows how to make
you pay
If you wanna' cause some controversy, you better take
a look at history
You can say what you want
But you know they 're gonna' make you pay

So just
\$ell Your Love To The World
Yeah Yeah Yeah
\$ell Your Love To The World
Yeah Yeah Yeah

This is just a theory
Believe it if you want to
If you live with a righteous heart, it seems evil will
always haunt you
What you gonna do when you get a visit from the dark
side of hell?
What have you got to bargain with? What have you got
to \$ell?
What you got to bargain with?
How much you gonna make em' pay?
Do you know what your price is?

Or will you just give it away?
