Where are you taking me now?
Oh No! Let me go!
Where are you taking me now?
Oh No! Let me go!

Sometimes you can't fight the way you feel
Sometimes you can trick your heart

Now I ride on a wave of selfishness
All I want to hold to fuck & touch & kiss
Is for me to feel
Twice as right and twice as wrong
Twice as weak and twice as strong

What are these old feelings now?
I thought I beat em' down - so down
Slipping back into my weak side
Regression equals death - you know it does

Sometimes time has a way of fooling you
Sometimes your brain can betray your heart

Now I ride on a wave of selfishness
All I want to hold to fuck & touch & kiss
Is for me to feel
Twice as right and twice as wrong
Twice as weak and twice as strong

Someone tell me how it feels
Someone tell me how it feels
Sometimes you can't fight the way you feel
Sometimes you're haunted by all that you wanted

Now I ride on a wave of selfishness
All I want to hold to fuck & touch & kiss
Is for me to feel
Twice as right and twice as wrong
Someone tell me how it feels
To be Twice as weak and twice as strong
Oh Yeah
Someone tell me how it feels
Someone tell me how
