i was born under a union jack , i was born under a union
jack
do you know where hell is , hell is in the falls
heaven is in shankill and we'll guard those derrys walls
oh i was born under a union jack

walking down the shankill , it was my proudest day
we sang the sash and the derrys walls and we fucked
the IRA
tims they have their shamrocks and we have our red
hand
we passed on ever so proudly with the pride ae govan
band

oh i was born under a union jack , a union union jack

i was born under a union jack , i was born under a union
jack
do you know where hell is , hell is in the falls
give us gerry adams and we'll hang him by the balls
oh i was born under a union jack

as it is my nation and ulster is my home
and i'll die with no surrender to those papish fucks in
rome
so come and do your wus mow , its plain for all to see
that there'll only be one victor , the boys of the YCV

i was born under a union jack , i was born under a union
jack
do you know where hell is , hell is in the falls
give us martin mcguinness and we'll hang him by the
balls
i was born under a union jack , a union union jack

time they try to bomb us , they shoot their rifles too
there'll only be one winner , the boys of the red hand
too
they will keep our ulster free , it's colours red white and
blue
cos we the boys of the UVF were ready for it noo

i was born under a union jack , i was born under a union
jack
do you know where hell is , hell is in ardoyne
we'll kick the shit out those fenian fucks as we once did
at the boyne
i was born under a union jack , a union union jack

i was born under a union jack
