I've sailed the wild atlantic
Cross the north pacific shore
I've sailed around the storney caves
And heard the fartys roar
I've flyed the idian ocean
I've sailed the china sea
But there's a sea back home in scotland
More than all the rest to me

Its the blue blue blue sea of Ibrox
Its the greatest sight that I have ever seen
Its the blue blue blue sea of Ibrox
And its part of every rangers players dream

No more I'll sail the seaven seas
No more a labour droan
No more I'll fell the the urge again
And back where I belong
At three a'clock each saturday
I'll join the mighty droan
With flags and banners all around
I'll proudly sing this song

Its the blue blue blue sea of Ibrox
Its the greatest sight that I have ever seen
Its the blue blue blue sea of Ibrox
And its part of every rangers players dream

No more I'll sail the seaven seas
No more a labour droan
No more I'll fell the the urge again
And back where I belong
At three a'clock each saturday
I'll join the mighty droan
With flags and banners all around
I'll proudly sing this song

Its the blue blue blue sea of Ibrox
Its the greatest sight that I have ever seen
Its the blue blue blue sea of Ibrox
And its part of every rangers players dream

Its the blue blue blue sea of Ibrox
Its the greatest sight that I have ever seen
Its the blue blue blue sea of Ibrox
And its part of every rangers players dream
And its part of every rangers players dream
