I believe in second chances
And I believe in first romances
Steal my Heart, before it breaks again
This is my final entry
Fatal diary, slit my throat, and I swear I wont complain
Think before you speak, speak before its too late

Iâ€™ll take my pencil

And erase all of these memories
Erase them from your mind
So you can be okayâ€¦
Iâ€™ll take my pencil and erase all of these memoriesâ€¦
Erase them from your mind (so you can be okay)â€¦
(This is my final entry)â€¦
