And I wish,
I wish,
I wish,
I wish around and about,
Down I'm scared,
To flow nowhere.

And I wish,
I wish,
I wish,
I wish around and about,
Down I'm air,
To flow nowhere, cause...

Here's where the train ride ends.
Screaming is this here a decision, yeah.

We were the best of friends.
I'll go nowhere...

This isn't where,
This isn't where I befound you.
This isn't where,
This isn't where i found you. (fly?)

And my life is such a ball,
That I run the world from city hall,
And I knew you all.
And my life is such a ball,
That I run the world from city hall,
And I own you all, god...

Here's where the train ride ends.
Screaming is this here a decision, yeah.

We were the best of friends.
And I'll go nowhere...

This isn't where,
This isn't where I befound you.
This isn't where,
This isn't where I found you.

In this,
In this,
In this in this,
In this,
In this,
Holiday Inn...

This isn't where,
This isn't where I befount you...
