I am CALIGULA
Glutton of Gluttons
Men over women
Man over woman
The whore of all men
And I...
Am not ashamed to admit, it's not enough to say "I love
all of you"
And I'm aroused
When you lying, you lying
We are OK, in a misguided Sadist way
We are OK
We are OK, in a disabled veteran way
We are OK

Can i ever begin to imagine
The terrible itch in mine
It haunts your mind
The family of five
The end in mind

I dine with wolves again
I travel with theives again
What did I teach you?
What did I teach you?
Your lying, your lying

We are OK, in a misguided Sadist way
We are OK
We are OK, in a disabled veteran way
We are OK

So don't confuse why we put you here
For your automation for individuality
A NOTCH ON MY BELT IS HOW YOU SHALL EXIST
A notch on my bedpost is how you shall exist
No more, no less for the COMMON good
That's you, American womanhood
That's you, American womanhood

It haunts your mind(the end in mind)(A lot of times)

We are OK, in a misguided Sadist way
We are OK
We are OK, in a disabled veteran way
Were so cold

Ha ha ha ha...

"that's glassjaw?"
"that's glassjaw"
"Oh, la la la la la la...."
