Mr. Shiver, I'm glad you sent a line  
Euphoria's endearing  
But it's cold; we might as well retire to the  
Drawer where all used things (where all used things)  
Resign.

Mr. Shiver in the river  
You were sold  
You were told

I feel (I feel), if we make it over the mountain.  
I feel (I feel), if we make it... if we make it...

Dressed in leather, red ball and vault attire  
The most ironic place to be is easy (yeah):  
Between my finger and the blade, right before I let the  
used  
(I let the used) resign.

Mr. Shiver in the river  
You were sold  
You were told

I do (I do) if we make it over the mountain  
I do (I do) if we make it... if we make it...

You might lose the one you choose,  
You might lose who won you, times ten,  
(times ten, times ten, times ten)

You might lose the heat you choose  
You might lose who won you, times ten  
(times ten, times ten, times ten)

Time time...

I do (I do) if we make it over the mountain  
I feel (I feel) if we make it... if we make it...

Whoahhhhhhhhh!!!!!!!!!!!!!!  
WhoahhhhhhhhhAahhhhhhhhhhh!!!!!!!!!!!!!!
