

## Glass Pear "Animal Heart"

Visit "[Animal Heart](#)" on MotoLyrics.com

Just as the daytime turns into nighttime,  
I know that I can turn to you.  
And as the river runs to the ocean,  
I know that I can run to you.  
Just like the rich man needs lots of money,  
Listen, woman, I need you.  
Just like a hunter stalks the hunted  
In a jungle of lust. It's true...

(Chorus)

I've got an animal heart when I see you.  
(Animal heart.) I'll do anything you want me to.  
I've got an animal heart.  
This love for you never changes (no, no).

Pressure's rising. I see your eyes and  
I know that the "game" is you.  
You keep me running, but I'm still coming.  
Oh, lover, do the things you do.  
Oh, with a young heart, well, I'm never lonely,  
Oh, but listen, woman, I need you.  
My heart is aching. My body's shaking.  
Oh, but one thing that I know is true...

(Chorus)

(Repeat chorus twice after instrumental)

(Ad lib to end)
