Cupid on a tidal wave
Shooting in the sun
Theres an arrow in my heart
Is it love?

Heavy in the atmosphere
Bursting out every year
You're never too old or too young

Strip away these walls
I want to fly I want to fall
People win and people lose
On these streets of love
Stand up on my own two feet
Before I knew it suddenly
I'm a man

Ba-da-ba-ba-ba-ba-ba
On these streets of love
Ba-da-ba-ba-ba-ba-ba
We will laugh and cry
Ba-da-ba-ba-ba-ba-ba
On these streets of love
We will live and die

Never let the feeling go
Turning on the radio
Another song reminds you of those days

Thinking of the one you love
Who doesnt know it just because
You're too afraid to be a fool again

Well people punch and people bruise
On these streets of love
Stand up on your own two feet
There's more to life than memories my friend, my
friend

Ba-da-ba-ba-ba-ba-ba
On these streets of love

Ba-da-ba-ba-ba-ba-ba
We will laugh and cry
Ba-da-ba-ba-ba-ba-ba
On these streets of love
Ba-da-ba-ba
Ba-da-ba-ba
Ba-da-ba-ba
Ba-da-ba

Strip away these walls
I want to fly I want to fall
(x6)

Ba-da-ba-ba-ba-ba-ba
On these streets of love!
(x4)
