It is time to go
Another night on show
Singing on my own
Oh

I wrote you all a song
But where do I belong?
Somewhere in your heart
Alone

Am I flesh or am I soul?
Am I spirit or am I bone?
Am I far or am I close?
Where is my home?

No I don't want your drugs
But I just need some love
To keep me from myself
Alone

Am I flesh or am I soul?
Am I spirit or am I bone?
Am I far or am I close?
Where is my home?

Nothing
I am nothing
I am nothing, nothing
Nothing to you
Give me something
Give me something that is true

Am I flesh or am I soul?
Am I spirit or am I bone?
Am I far or am I close?
Where is my home?
Where is my home?
