After the dance is over and Iâ€™m alone
I sit by myself and wonder whoâ€™s taking you home
It could have been oh so different, I guess Iâ€™m just a
fool
To live by a single promise, I couldnâ€™t play by the rules

Oh, we say weâ€™ve ended, but weâ€™ve just begun
And I keep pretending weâ€™re still in love
Over and over, still thinking of you
Dreams come true

So after the dance is over and I melt away
Donâ€™t laugh with your friends about me, cos I know
what theyâ€™ll say
My call never gets an answer, donâ€™t you hear it tonight
I watch as you close the curtains and then you turn
down the lights

Oh, we say weâ€™ve ended, but weâ€™ve just begun
And I keep pretending weâ€™re still in love
Over and over, still thinking of you
Dreams come true

Oh, tell me what to say
Oh, tell me what to say, oh, oh

Oh, we say weâ€™ve ended, but weâ€™ve just begun
And I keep pretending weâ€™re still in love
Over and over, still thinking of you
I keep pretending that dreams can come true
Oh, they say our love affair never could last
Iâ€™m such a loser, donâ€™t live in the past
Cos love can blast, oh, oh
