You take my breath away
Love thinks it's here to stay
There's still so much for me to do
And I can't stop loving you
Oh can this be true

If you could see what I have seen
Broken hearts and broken dreams
Then I wake up and you're not there
Pain finds me everywhere
Oh but you don't care

Don't forget me when I'm gone
My heart would break
I have loved you for so long
It's all I can take

You, you take my breath away
Love thinks it's here to stay
Still so much for me to do
And I can't stop loving you
Oh can this be true

Don't forget me when I'm gone
My heart would break
I have loved you for so long
It's all I can take

Then I wake up and you're not there
Pain finds me everywhere
Oh! but you don't care

Don't forget me when I'm gone
For heaven sake
I have loved you for so long
There's nothing wrong

So, don't forget me when I'm gone
My heart would break
I have loved you for so long
There's nothing wrong
