I have this feeling  
It's so revealing  
Silence surrounds you  
You stand all alone  
And in the darkness  
I still can find you  
For light is shining  
From deep within  
Is this all it's worth?  
Oh! Is this all it's worth?  
This island earth  
I see the children  
Lost in the city  
We break the hearts  
Of both the young and old  
I see the need here  
To feed the hungry  
As dollar bills lie  
Within your hands  
Oh! Is this all it's worth?  
Oh! Is this all it's worth?  
This island earth.

I see you  
I give you  
I feel you  
I take y  
ou  
I love you  
I'll mend you  
I touch you  
I hate you  
If I'm near you  
I bleed you  
I want you I'll save you  
But I fear you For I need you  
What does it matter?  
It really doesn't matter  
What does it matter?  
Really doesn't matter to me  
This island earth
