Never again  
On your forceded illusions to choke  
You feed off my pain  
Feed off my life  
There won't be another dawn  
Which will reap as we have sown  
Always the same  
My tired eyes have seen enough  
Of all your lies  
My hate is blind  
Slaughter of the soul

Suicidal final art  
Children - born of sin  
Tear your soul apart  
Never again  
My tired eyes have seen enough  
Of all your lies  
My hate is blind  
Slaughter of the soul  
Suicidal final art  
Children - born of sin  
Tear your soul apart
