Hang on
All you children of time
Tired souls
Rest your weak and weary minds
There is a laughter in the morning
There will be sunlight on your face
So hang on
Darkness fades in the light of grace

There is peace like a river
There is joy like a fountain
There is love like an ocean
Flowing from the hands of God
The hands of God

Hang on
Dear children of the Fall
Faint hearts
Stay thankful through it all
In the storm He is a shelter
In your weakness He is strong
So hang on
And know that you belong

In your darkness, don't let go
In your weakness, don't let go
In your darkness, don't let go
In your weakness, don't let go

There is peace like a river
There is joy like a fountain
There is love like an ocean
There is peace like a river
There is joy like a fountain
There is love like an ocean
Flowing from the hands of God
Flowing from the hands of God
Flowing from the hands of God
