I bring You my heart
I bring You my praise
I bring You my broken dreams
I've lost along the way
I lift up my voice
I lift up my hands
I lift up the moments in my life
That I don't understand
And I lay it at the cross
Where I'm surrounded by Your grace
And I marvel at the wonder of Your love

I stand amazed
I stand in awe
I stand forgiven in the midst of it all
Before You I bow
Before You I fall
Blessed Redeemer, Sweet Savior of all
I stand amazed

I offer You thanks
I offer my life
I offer a sacrifice of praise
When I'm scattered by the night
For You are my shelter
You are my King
You are the risen Son of God
The Lord of everything

Now I'm standing at the cross
Where I'm surrounded by Your grace
And I marvel at the wonder of Your love

There is life in His body
There is grace in His blood
There is peace for the sinner
Given by God's grace
