# "Jesus You Are Beautiful"

When I'm alone, I sing  
A sweet love song from the wilderness  
Though I can't see Your face  
I believe You can hear me

Jesus, You are beautiful  
Jesus, You are beautiful

You are the breath of life  
And even death cannot hold You  
Body and blood  
Everlasting love from the Father

Jesus, You are beautiful  
Jesus, You are beautiful

Jesus, You are beautiful  
Jesus, You are beautiful

Jesus, You are beautiful  
Jesus

When I'm alone, I sing  
A sweet love song from the wilderness
