"Wake Up"

Visit "[Wake Up](#)" on MotoLyrics.com

On the edge of dreaming
With our eyes open wide
Stars will fade with the night
Though our scars will remain
And we can't go back in time
Love can change our minds

Come on and wake up break out hang on climb over
now
We gotta let go of what we know might bring us down
Come on and look up reach out go on get off the
ground
It's time to turn it all around

So what I'm telling you now
I'm saying more to myself
Than to anyone else
When we find ourselves lost
In a forest of doubt
Love will lead us out

Come on and wake up break out hang on climb over
now
We gotta let go of what we know might bring us down
Come on and look up reach out go on get off the
ground
It's time to turn it all around
