How can I love one thing?
How can I love one thing?
How can I love one thing?
How can I love one thing?

Welcome to my life
It's staring you right in the face
She said, "I didn't plan on falling for you"
Cards were dealt and now you're the victim?

How can I simply love one thing
Without knowing everything
How can I simply love one thing
Without knowing everything

Who's really to blame
I've been there and I've done all that
I can't just give in to what you want
These headaches aren't my idea of a good time

How can I simply love one thing
Without knowing everything
How can I simply love one thing
Without knowing everything

My actions, emotions, feelings are on display
Right off the bat, you knew what you were getting into

Welcome to my life, welcome to my life
It's staring you right in the face
I can't just give in to what you want
These headaches aren't my idea of a good time

How can I simply love one thing
Without knowing everything
How can I simply love one thing
Without knowing everything

How can I simply love one thing
Without knowing everything
How can I simply love one thing
Without knowing everything
