She cured the plague of the holy child  
And all the while I've been watching  
And "Boom", she said  
In her room with her red fingernails  
And a grip on the answers

When it's home and I'm broken, let's fix  
When it's home and I'm swollen, let's kiss  
When it's home and we'll walk, she'll lead  
If she's waiting, we'll leave  
I'm so gracious, I've got you here

If you touch it, it's cold  
If you drop it, it breaks  
If you hug it, it shivers  
Hold it, it shakes  
I'm "Boom", she said

When it's home and I'm broken, let's fix  
When it's home and I'm swollen, let's kiss  
When it's home and we'll walk, she'll lead  
If she's waiting, we'll leave  
I'm so gracious, my name's "I dare"  
My name's "I dare"  
My name's "I dare"  
My name's "I dare"

When it's home and I'm broken, let's fix  
When it's home and I'm swollen, let's kiss  
When it's home and we'll walk, she'll lead  
If she's waiting, we'll leave  
I'm so gracious

No, I pray to God, it's over, you fuck  
I swear, this feels sick  
The child, you fucked it all the while  
And you fucked it all the while  
I swear to God that it's over  
I've been fucked all the while  
I pray to God that it's over  
Just let me be alone

And all the while  
Said, "All the while"  
Said, "All the while"  
Said, "All the while"  
Said, "All the while"  
And all the while  
Said, "All the while"
