Little girl
Blindfold
Industrialize
Face the daybreak
Leap unto my sweat
Kira, I call your name

You, I am so true.
White, black pale skin.
Sun rays burn my eyes,
As you place the knowledge behind bars.

I never flaunt my anger,
In this house of torrid memories.
The name that spurns the name that...
I'm, I'm so alone.

You, I am so true.
White, black pale skin.
Sun rays burn my eyes,
As you place the knowledge behind bars.

The touch, the feel, so soft caress.
My plan to fucking rape you.
You, that's right.
I'm, I'm so..
I'm so alone.
Look!
The walls are heaving in
Sun shines on the new fallen snow
Brought upon by the truth.
The truth of your communism.

When I call your name..

I am so alone.
You wouldn't understand that I heard every word you
said.
Every time I try, I see it everyday.
Until once I realize that I had a home,
But I'm so alone.
I'm so alone.

Kira.
