You claimed acceptance for the time before  
You wait for all of us to offer up together  
You claimed acceptance for the time before  
You wait for all of us to offer up to get...

Wait around  
Vomit on the prowl  
Make it go round  
Vomit on the prowl  
Watch the fire like I'm a Natural Born Farmer  
Get around  
Vomit on the prowl

You take direction from that girl next door  
And she waits for all of us to offer up to get down  
You take directions from the girl next door  
You wait for all of us to offer up to get...

Wait around  
Vomit on the prowl  
Make it go round  
Vomit on the prowl  
Watch the fire like I'm a Natural Born Farmer  
Get around  
Vomit on the prowl

Get around  
Vomit on the prowl  
Making the rounds  
Vomit on the prowl  
Watch the fire like I'm a Natural Born Farmer  
Get around  
Vomit on the prowl
