Let me introject about this little peace we have  
and all the months that passed  
draggin through the mud  
draggin through the mud  
dragons out.  
It helps me  
comment on virginity

help me  
find the price of humility  
as a matter of fact  
you owe me some  
as a matter of fact you owe me

And I guess and I guess and I confess  
I sometimes think  
I am god  
or do I exist just to work for  
helps me comment on virginity

Help me  
find the price of humility  
As a matter of fact you owe me some  
as a matter of fact you owe me

Cancer is the proof  
we will going nowhere soon  
you're the reason why  
I'm always asking of you twice

Cancer is the proof  
We will be going nowhere soon  
You're the reason Why  
They're always doubting of us twice

help me  
find the price of humility  
As a matter of fact  
you owe me some  
As a matter of fact  
you owe me
