Heartbreak

I'm not holding your hand anymore

Why can't you understand?

Euphoria, take my hand

Euphoria

Your ways, my ways

Never, always

The future, the past

The first, the last

Heartbreak

I'm not holding your hand anymore

Why can't you understand?

Euphoria, take my hand

Euphoria

Right time, wrong line

Myself, I'm alien

I swear to god, lies and bad thoughts

1, 2, 3, 4, let go

Heartbreak

I'm not holding your hand anymore

Why can't you understand?

Euphoria, take my hand

Euphoria

A wish upon a falling star

A fear never far

I hurt, you hurt me

Sunshine, moonlight

Kind heart, evil leave me

Heartbreak

I'm not holding your hand anymore

Heartbreak

I'm not holding your hand, let me go

Why can't you understand?

Why can't you understand?

Why can't you understand?

Euphoria, take my hand
Euphoria, take my hand
Euphoria, take my hand
Euphoria

Euphoria, take my hand
Euphoria, take my hand
