I gave you all the love,
A boy could ever need,
And in this world there's only one of me,

And all there is left,
Is the realisation,
That we we're never meant to be,

Fuck you,
Fuck you,
It's Over,

Fuck you,
Fuck you,
It's Over,

I've been lost since I woke up,
Broked since we broke up,
Vanished by your heart,

Remember it when,
You promised me how,
This time this christmas things would be different by
now,

Fuck you,
Fuck you,
It's Over,

Fuck you,
Fuck you,
It's Over,

Middle Eight
All I wanted was to be,
Where your heart is,
But that's all changed now,
Now you're dead to me,

You're dead,
You're dead,
You're dead,

You're dead,

Fuck You,
Fuck You,
It's Over,

For You,
For You,
It's Over,

Fuck You,
For You,
It's Over,

For You,
For You,
It's Over,
Ahh
