Tougher than tough  
Toughest when we are together  
Thoughts of me and you forever  
The rest can go to hell

Yeah, I am lost but so are you  
Just like little lost lambs us two

They say we're sordid  
'Cause the way we walk and talk and flirt  
They say we're dirty  
Oh, I'm stronger than dirt

Absolutely novice  
We're absolutely new to us  
No less if we are not his 'n' hers  
Our love is as valid as your love is

I'm going on, can we stay together?  
Is it me and you forever?  
Can the rest all go to hell?

They say we're sordid  
'Cause the way we walk and talk and flirt  
They say we're dirty  
Oh, I'm stronger than dirt  
We're stronger than dirt

Love, stay with me  
I'll keep you from harm's way and hurt  
Stay with me

Love, stay with me  
I'll keep you from harm's way and hurt  
Stay with me

They say we're sordid  
'Cause the way we walk and talk and flirt  
They say we're dirty  
Oh, I'm stronger than dirt  
I'm stronger than dirt

We're stronger than dirt  
We're stronger than dirt  
I'm stronger than dirt  
I'm stronger than dirt
