Sunday, We got to drive to the beach
Dived into the sea, all day
The rain cloud spread finally to the sky!!
The sky began to cry, too bad...

Yagate nana iro no kaidan kara
Furi sosoida kono merodi

I'm singing in the rain, It's my way, so funny, happy fine
days!!

Zetsubou to Megumi no ame ni Utau koto no imi wo
shinjita

Mandei ai hadda sutorenji naitomea
Zeia nottuu bassutorii
Meibii ittu wiru kontinyu tu sii sutiru
Ai wiru kontinyu tu sii

Choutaisaku akumuu roodosho
Baku wo tataki okosu merodi

I'm singing in the rain, It's my way, so funny, happy fine
days!!

like a dophin kick
I'm singing in the rain
