I hear the lonely words hajimete miseta anatano  
Yasete shimatta sono egao ni hohowo yoseta  
Mugenno kono uchuude deau kiseki no youna...  
Taisetsuna nuku moriga ima kono udewo hanarete  
yuku  
Yureru hizashini terasare aruiteta michi  
Setsunasani michita kokoro sotto tsutsunde kureta  
Ai no kotobaga tarinai kawarini utaeba  
Sore dakede futari hito tsuni nareta kiga shiteita  
I remember those days oyasumi itoshii hitoyo  
Kizutsukeru kotode shika ai senai mamade yagate  
wakareta  
[Daremo ga ikiru koto no itami wo dakishimete ikite  
yukunara  
Oshietekure orewa kore kara nani wo ushinattek  
noka...]  
Tada yoruga akeru koto wo inotteita hibi  
Kanashimini shizumu yorumo anataga kaete kureta  
Koito yobuni wa mijikai ano natsuno yume  
Betsu betsuno michi wo eranda anata wo wasurenai  
AH yume ni oori konde subete wo kanaeru sonohi  
madewa  
AH aruki tsuzukete yuku doko mademo hateshinaku  
Tada yoruga akeru koto wo inotteita hibi  
Kanashimini shizumu yorumo anataga kaete kureta  
Koito yobuni wa mijikai ano natsuno yume  
Betsu betsuno michi wo eranda anata wo wasurenai
