A chair is still a chair, even when there's no one sitting there

But a chair is not a house, and a house is not a home  
When there's no one there to hold you tight  
And no one there you can kiss good night

A room is still a room, even when there's nothing there but gloom

But a room is not a house, and a house is not a home  
When the two of us are far apart  
And one of us has a broken heart

Now and then I call your name  
And suddenly your face appears  
But it's just a crazy game  
And when it ends, it ends in tears

So darling, have a heart, don't let one mistake keep us apart

Well, I'm not meant to live alone, turn this house into a home

When I climb the stair and turn the key  
Oh, please be there, still in love with me
