A little less conversation, a little more action please,  
All this aggravation ain't satisfactionin' me  
A little more bite and a little less bark  
A little less fight and a little more spark  
Close your mouth and open up your heart and baby  
satisfy me  
Satisfy me baby

Vamos cierra los ojos y escuchate la musica,  
Que viaja por la brisa de verano,  
Que padrisima la noche y te enseno como usarla,  
Andale muchacha ve y relajate. Hey !

Menos conversacion y mas accion por favor,  
Este agravamiento no me satisface a mi.  
A little more bite and a little less bark  
A little less fight and a little more spark  
No hables mas y abre tu corazon y satisfaceme,  
Satisfaceme baby !

Come on baby i'm tired of talkin'  
Grab your coat and let's start walkin'  
Vamos, vamos (x3)

No te demores, no articules,  
Ya es tarde, estoy harto de esperar

A little less conversation, a little more action please,  
All this aggravation ain't satisfactionin' me  
A little more bite and a little less bark  
A little less fight and a little more spark  
Close your mouth and open up your heart and baby  
satisfy me  
Satisfy me baby.

Menos conversacion y mas accion, por favor.
