Gonna find my baby, gonna hold her tight
Gonna grab some afternoon delight
My motto's always been when it's right, it's right
Why wait until the middle of a cold dark night?

When everything's a little clearer in the light of day
And we know the night is always gonna be here anyway

Thinkin' of you's workin' up my appetite
Looking forward to a little afternoon delight
Rubbin' sticks and stones together makes the sparks
ignite
And the thought of rubbin' you is getting so exciting

Sky rockets in flight, afternoon delight
Afternoon delight, afternoon delight

Started out this morning feeling so polite
I always thought a fish could not be caught who didn't
bite
But you've got some bait a waitin' and I think I might
Try nibbling a little afternoon delight

Sky rockets in flight, afternoon delight
Afternoon delight, afternoon delight

Be waiting for me, baby, when I come around
We could make a lot of lovin' 'fore the sun goes down

Thinkin' of you's workin' up my appetite
Looking forward to a little afternoon delight
Rubbin' sticks and stones together makes the sparks
ignite
And the thought of rubbin' you is getting so exciting

Sky rockets in flight, afternoon delight
Afternoon delight, afternoon delight
Afternoon delight, afternoon delight
