How can I just let you walk away
just let you leave without a trace?
When I stand here taking every breath with you
You're the only one who really knew me at all

How can you just walk away from me
when all I can do is watch you leave?
'cause we've shared the laughter and the pain,
and even shared the tears
You're the only one who really knew me at all

So, take a look at me now
well, there's just an empty space
And there's nothing left here to remind me
just the memory of your face
Take a look at me now,
well, there's just an empty space
And you coming back to me is against the odds
and that's what I've got to face

I wish I could just make you turn around
turn around and see me cry
There's so much I need to say to you
so many reasons why
You're the only one who really knew me at all

So take a look at me now, well, there's just an empty
space
And there's nothing left here to remind me
just the memory of your face
Now, take a look at me now 'cause there's just an
empty space
But to wait for you is all I can do and that's what I've got
to face
Take a good look at me now 'cause I'll still be standing
here
And you coming back to me is against all odds -
it's the chance I've got to take

Take a look at me, now
Take a look at me, now
