I can't stay here
I am not the girl
Who runs and hides
Afraid of what could be

And I will go there
I need time, but know
That things are always closer
Than they seem

Now I'll do more than dream yeah!

I'm gonna fly
Gonna crash right through the sky

Gonna touch the sun
(Touch the sun)
Show everyone
(Show everyone)

That it's
All or nothing
All or nothing

This is my life
I'm not gonna live it twice

There's no in-between
(No in-between)
Take it too extreme
(Too extreme)

Cause it's
All or nothing
All or nothing

Or nothing at all...

I can't give up
Can't just let it burn
And Watch the fire

I started turn to dust
(Yeah, yeah)

And now, please don't judge me
Take my hand and say
You'll always wish me well
And send me luck

Cause that would be enough yeah!

I'm gonna fly
Gonna crash right through the sky

Gonna touch the sun
(Touch the sun)
Show everyone
(Show everyone)

That it's
All or nothing
All or nothing

Cause this is my life
I'm not gonna live it twice

There's no in-between
(No in-between)
Take it too extreme
(Too extreme)

Cause it's
All or nothing
All or nothing
At all

Nothing can stop us now
(Ooh)
And there was never a shadow of doubt

That I'm
Gonna fly
Gonna crash right through the sky

Gonna touch the sun
(Touch the sun)
Show everyone
(Show everyone)

That it's
All or nothing
All or nothing

Cause this is my life
I'm not gonna live it twice

There's no in-between
(No in-between)
Take it too extreme
(Too extreme)

Cause it's
All or nothing
All or nothing
At all...

Yeah
(Ooh...)
Cause it's all or nothing at all

Nothing at all!
(Yeah)

All or nothing
All or nothing
At all

All or nothing
