And I am telling you
I'm not going
You're the best man
I'll ever know
There's no way I can ever go
No No there's no way
No No No No way I'm livin without you
I'm not livin without you
I don't want to be free
I'm staying I'm stayin
And you and you
You're gonna love me
Yeah ohh
You're gonna love me

And I am telling you
I'm not going
Even though there rough times are showin
There's just no way
There's no way

Were part of the same place
Were part of the same time
We both share the same blood
We both have the same mind

And time and time
We've had so much to share
No No No No No way
I'm not waking up tomorrow morning
And finding that there's nobody left

Darlin' there's no way
No No no no way
I'm livin' without you
I'm not living without you
You see there's no way
There's no way

Tear down the mountain
Just scream and shout

You can say what you want
I'm not walking out

Stop all the rivers
Push, strike and kill
I'm not gonna leave ya
There's no way I will

And I am telling you
I'm not going
You're the best man
I'll ever know
There's no way I can ever ever go

No No No no way
No No no way I'm living without you
I'm not living without ya now
Living without ya

I don't want to be free
I'm stayin I'm stayin
And you and you and you
You're gonna love me
Ohhh

You're gonna love me
Yes you are
You'll love me
Yeah
Love me
Love me
Love me
Love
You're gonna love me
