Anyway you want it  
That's the way you need it  
Anyway you want it

She loves to laugh, she loves to sing  
She does everything  
She loves to move, she loves to groove  
She loves loving things

Ooh, all night, all night  
Ooh, every night  
So hold tight, hold tight  
Ooh baby, hold tight

(Oh she said)  
Anyway you want it  
That's the way you need it

(She said)  
Anyway you want it  
That's the way you need it  
Anyway you want it

I was alone, I never knew  
What good love could do  
Then we touched, then we sang  
About the lovely things

Ooh, all night, all night  
Oh, every night  
So hold tight, hold tight  
Ooh baby, hold tight

(Oh)  
She said anyway you want it  
That's the way you need it  
She said hold  
Hold on, hold on, oh
