I don't know why I'm frightened  
I know my way around here  
The cardboard trees  
The painted seas, the sound here

Yes, a world to rediscover  
But I 'm not in any hurry  
And I need a moment

The whispered conversations  
In overcrowded hallways  
The atmosphere  
As thrilling here as always

Feel the early morning madness  
Feel the magic in the making  
Why everything's as if we never said goodbye

I've spent so many mornings  
Just trying to resist you  
I'm trembling now  
You can't know how I've missed you

Missed the fairy tale adventure  
In this ever spinning playground  
We were young together

I'm coming out of make-up  
The lights already burning  
Not long until  
The cameras will start turning

And the early morning madness  
And the magic in the making  
Yes, everything's as if we never said goodbye

I don't want to be alone  
That's all in the past  
This world's waited long enough  
I've come home at last

And this time will be bigger

And brighter than we knew it  
So watch me fly  
We all know I can do it

Could I stop my hands from shaking?  
Has there ever been a moment  
With so much to live for?

The whispered conversations  
In overcrowded hallways  
So much to say  
Not just today but always

We'll have early morning madness  
We'll have magic in the making  
Yes, everything's as if we never said goodbye

Yes  
Everything's as if we never said goodbye  
We taught the world new ways to dream
