Oh baby, baby  
How was I supposed to know  
That somethin' wasn't right?

Oh baby, baby  
I shouldn't have let you go  
And now you're outta sight

Show me how you want it to be  
Tell me baby 'cause I need to know now  
Oh because

My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind  
Give me a sign, hit me baby one more time

Oh baby, baby  
The reason I breathe is you  
Now, boy you got me blinded

I bet you baby  
There's nothing that I would not do, no  
It's not the way I planned it

Show me how you want it to be  
Tell me baby 'cause I need to know now  
Oh because

My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind  
Give me a sign, hit me baby one more time

Oh baby baby, oh baby baby  
Oh baby, baby  
How was I supposed to know  
Oh baby, baby  
I shouldn't have let you go

I must confess that my loneliness is killing me now  
Don't you know I still believe?

That you will be here and give me a sign  
Hit me baby one more time

My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind  
Give me a sign, hit me baby one more time

I must confess that my loneliness is killing me now  
Don't you know I still believe?  
That you will be here and give me a sign  
Hit me baby one more time
