Someone to hold you too close  
Someone to hurt you too deep  
Someone to sit in your chair  
to ruin your sleep

Someone to need you too much  
Someone to know you too well  
Someone to pull you up short  
And put you through hell

Someone you have to let in  
Someone hows feelings you spare  
Someone how like it or not  
will want you to share  
a little, a lot

Someone to crowd you with love  
Someone to force you to care  
Someone to make you come through  
will always be there,  
Frightened as you,  
of Being alive  
Being alive  
Being alive  
Being alive

Somebody hold me too close  
Somebody hurt me too deep  
Somebody sit in my chair  
And ruin my sleep  
And make me aware of  
Being alive... being alive

Somebody need me too much  
Somebody know me too well  
Somebody pull me up short  
And put me through hell  
And give me support for being alive  
Make me alive  
Make me alive, make me confused  
Mock me with praise, let me be used  
Vary my days, but alone is alone,

Not alive!

Somebody crowd me with love  
Somebody force me to care  
Somebody let me come through  
I'll always be there,  
Frightened as you,  
To help us survive being alive  
Being alive  
Being alive  
Being alive
