Oh, this is the night  
It's a beautiful night  
And we call it Belle Notte

Look at the skies  
They have stars in their eyes  
On this lovely Belle Notte

Side by side with your loved one  
You'll find enchantment here  
The night will weave its magic spell  
When the one you love is near

Oh, this is the night  
And the heavens are right  
On this lovely Belle Notte

This is the night  
It's a beautiful night  
And they call it Belle Notte

Look at the skies  
They have stars in their eyes  
On this lovely Belle Notte

Side by side with your loved one  
You'll find enchantment here  
The night will weave its magic spell  
When the one you love is near

Oh, this is the night  
And the heavens are right  
On this lovely Belle Notte
