At first we started out real cool,
Taking me places I ain't never been
But now your getting comfortable
Ain't doing those things you did no more
Your slowly makin' me pay for things
Your money should be handling

And now you ask to use my car (car)
Drive it all day and don't fill up the tank
And you have the audacity
To even come and step to me
Ask to hold some money from me
Until you get your check next week

You triflin', good for nothing type of brother
Silly me, why haven't I found another
A baller, when times get hard I need someone to help
me out
Instead of a scrub like you who don't know what a
man's about

Can you pay my bills
Can you pay my telephone bills
Can you pay my automo'bills
If you did then maybe we could chill
I don't think you do
So you and me are through

Now you've been maxing out my card (card)
Give me bad credit, buy me gifts with my own ends
Haven't paid the first bill
But instead you heading to the mall
Going on shopping sprees
Perpetrating to your friends that you be ballin'

And then you use my cell phone (phone)
Callin' who ever that you think's at home
And then when the bill comes all of a sudden you be
acting dumb

Don't know where none of these calls come from
When your mamma's numbers here more than once

You triflin', good for nothing type of brother
Silly me, why haven't I found another
A baller, when times get hard I need someone to help
me out
Instead of a scrub like you who don't know what a
man's about

Can you pay my bills
Can you pay my (ooh) telephone bills
Can you pay my automo'bills (Can you pay my bills)
If you did then maybe we could chill
I don't think you do (no)
So you and me are through

You triflin', good for nothing type of brother
Silly me, why haven't I found another
You triflin', good for nothing type of brother
Silly me, why haven't I found another

Can you pay my bills
Can you pay my telephone bills
Can you pay my automo'bills (Pay my telephone,
telephone bills)
If you did then maybe we could chill
I don't think you do
So you and me are through

Can you pay my bills (ooh)
Can you pay my telephone bills
Can you pay my automo'bills (Can you pay my bills)
If you did then maybe we could chill
(uhh) I don't think you do (no no no)
So you and me are through
