[Unique:]

White knuckles

And sweaty palms from hanging on too tight

[Marley:]

Clenched shut jaw

I've got another headache again tonight

[Unique with Marley:]

Eyes on fire, eyes on fire,

And the burn from all the tears

I've been crying, I've been crying,

I've been dying over you

Tie a knot in the rope,

Trying to hold, trying to hold

But there's nothing to grab so I let go

[Marley and Unique:]

I think I finally had enough

I think I maybe think too much

I think this might be it for us

Blow me one last kiss

You think I'm just too serious

I think you're full of it

My head is spinning so

Blow me one last kiss

Just when it can't get worse,

I've had a bad day

You've had a bad day

We've had a bad day

I think that life's too short for this

Want back my ignorance and bliss

I think I've had enough of this

Blow me one last kiss

[Unique with Marley:]

I won't miss

All of the fighting that we always did,

Take it in

I mean what I say when I say there is nothing left

[Marley with Unique:]

No more sick whiskey-wish,
No more battles for me
You'll be calling a trick,
Cause you'll no longer sleep
I'll dress nice, I'll look good,
I'll go dancing alone
I will laugh, I'll get drunk,
I'll take somebody home

[Marley:]
I think I finally had enough

[Marley with Unique:]
I think I maybe think too much
I think this might be it for us
Blow me one last kiss
You think I'm just too serious
I think you're full of it
My head is spinning so
Blow me one last kiss

[Marley and Unique:]
Just when it can't get worse,
I've had a bad day
You've had a bad day
We've had a bad day

[Marley with Unique:]
I think that life's too short for this
Want back my ignorance and bliss
I think I've had enough of this
Blow me one last kiss

[Marley:]
Na na na na ([Unique:] Oh) da da da da

[Unique:]
Blow me one last kiss

[Marley:]
Na na na na ([Unique:] Woaah!) da da da da

[Unique:]
Blow me one last kiss

[Marley with Unique:]
I will do what I please,
Anything that I want
I will breathe, I will breathe
I won't worry at all

[Unique with Marley:]
You will pay for your sins,
You'll be sorry my dear
All the lies, all the lies,

[Unique:]
Will be crystal clear ([Marley:] Oh!)

[Marley:]
I think I finally had enough

[Unique:]
I think I maybe think too much

[Marley:]
I think this might be it for us

[Marley and Unique:]
Blow me one last kiss

[Marley:]
You think I'm just too serious

[Unique:]
I think you're full of it

[Marley:]
My head is spinning so

[Marley and Unique:]
Blow me one last kiss

[Unique:]
Just when it can't get worse ([Marley:] Oh)
I've had a bad day ([Marley:] Yeah)
You've had a bad day ([Marley:] Oh)
We've had a bad day

[Marley and Unique:]
I think that life's too short for this

[Unique:]
Want back my ignorance and bliss

[Marley:]
I think I've had enough of this

[Marley and Unique:]
Blow me one last kiss

[Unique:]

Na na na na da da da da

[Marley:]

Na na na na da da da da ([Unique:] Oh)

Na na na na da da da da

[Marley and Unique:]

Blow me one last kiss

[Marley:]

Na na na na da da da da ([Unique:] Oh)

Na na na na da da da da ([Unique:] Oh)

Na na na na da da da da

[Marley and Unique:]

Blow me one last kiss

[Unique:]

Just when it can't get worse,

[Marley and Unique:]

I've had a bad day

You've had a bad day

We've had a bad day

I think that life's too short for this

Want back my ignorance and bliss

I think I've had enough of this

Blow me one last kiss
