I'll have a Blue Christmas without you

I'll be so blue just thinking about you  
Decorations of red on a green Christmas tree

Won't be the same, if you're not here with me

And when those blue snowflakes start falling  
That's when those blue memories start calling  
You'll be doin' all right, with your Christmas of white  
But I'll have a blue, blue blue blue Christmas

Won't be the same, if you're not here with me

And when those blue snowflakes start falling  
That's when those blue memories start calling  
You'll be doin' all right, with your Christmas of white  
But I'll have a blue, blue blue blue Christmas
