Something in the way you love me won't let me be  
I don't want to be your prisoner so baby won't you set  
me free  
Stop playin' with my heart  
Finish what you start  
When you make my love come down  
If you want me let me know  
Baby, let it show  
Honey, don't you fool around  
Don't try to resist me

Chorus:

Open your heart to me, baby  
I'll hold the lock and you hold the key  
Open your heart to me, darlin'  
I'll give you love if you, you turn the key.

Something in your eyes is makin' such a fool of me  
your making me, your making such a fool of me.

I see you on the street and you walk on by. You're  
on the street I see when you're walking by.  
When you hold me in your arms you love me till I just  
can't see. So you choose to look the other way. Well  
I've got something to say!

Open your heart to me, baby  
I'll hold the lock and you hold the key  
Open your heart to me, darlin'  
I'll give you love if you, you turn the key.  
(open your heart I'll make you love me)  
I'll hold the lock and you hold the key.  
Open your heart to me, darlin'  
I'll give you love if you, you turn the key.  
(ohh ohh ohh)  
Open your heart with the key.
